2019 CAP Index Contours 3-Mile Methodology

Score Ranges: 0-99 | 100-199 | 200-399 | 400-799 | 800-2000

CRIMECAST Scores range from 0 to 2000 and indicate the risk of crime at a site compared to an average of 100. A score of 400 means that the risk is 4 times the average while a score of 50 indicates that the risk is half the average.
