UNDERSTAND THE RISK OF CRIME
ACROSS YOUR INDUSTRY

Industry: Insurance Carriers and Relate... (1)

CAP Index's **CRIMECAST Industry Benchmark Analysis (CIBA) for the United States** allows you to make an objective comparison of the crime risk at your locations to the rest of your industry, or any industry. Each analysis looks at the CAP Score for all locations within the selected industry and provides a breakdown of locations by CAP risk category as well as the average score for the industry.

Use this information to visualize the crime risk profile for your industry and benchmark your locations against it.

- *How many locations are in each CAP Risk Category?*
- *How do your locations compare to the industry's risk profile?*
- *What is the average CAP Score across your industry?*

Combine this analysis with CAP Index® CRIMECAST Reports to make actionable security and business decisions related to risk exposure and mitigation.
